IGNITE
YOUR PURPOSE
2022

The church hosted a very successful youth event this past weekend even though the weather caused it to be canceled in January. In spite of the rescheduled dates, we were blessed with a good turnout of youth from throughout Kentucky, Tennessee, Arkansas, and of course, Missouri. Our sister congregations are commended for their efforts to expose their youth to good fellowship, teaching, and preaching of the truth.

Such events do not just happen. It takes good planning, coordination, and cooperation from many people. Without those efforts it will not happen. It takes commitment from speakers, teachers, parents, and many more. It takes the youth and their parents being committed to attend. If they don't, it will not happen. It takes the rest of us assisting by providing housing, food, etc. to facilitate in whatever way we can. When we pull together, good things come to pass.

The elders want to thank everyone who contributed to the success of Ignite 2022! To those who spent hours planning, THANK YOU! To those who taught a class, THANK YOU! To those who developed the schedule, THANK YOU! To those who secured speakers, THANK YOU! To those who took part in the rally, THANK YOU! To those who attended, THANK YOU!

The apostle Paul said in Ephesians 4:16, "...the whole fitted and held together by what every joint supplies, according to the proper working of each individual part, causes the growth of the body..." In the same way everyone working together made Ignite 2022 a success!!!! We are looking forward to Ignite 2023. Please make plans now to attend next year—whether you have children, grandchildren, or no children.
